*A branch campus is an additional location of an institution that is geographically apart and independent of the main campus of the institution and (1) is permanent in nature; (2) offers courses in educational programs leading to a degree, certificate, or other recognized educational credential; (3) has its own faculty and administrative or supervisory organization; and (4) has its own budgetary and hiring authority. An additional location is a facility that is geographically apart from the main campus of the institution and at which the institution offers at least 50% of a program through classroom courses, hybrid courses, or a combination of both. An additional location may qualify as a branch campus and be subject to requirements pertaining to branch campuses. An extension site is an off-campus location where less than 50% of a degree program may be earned by classroom courses, hybrid courses, or a combination of both.*
